

Please do not allow, LPFM to take priority over FM translator service. My family and I listen to K-LOVE exclusively in Gilbert and other places within the state of Arizona. We rely on K-LOVE to bring us encouraging and positive music and news like no other radio station can or has. We also rely on K-LOVE to give us local community events that are important to my family and our community.

I have yet to find another radio station that would come close to the professional and positive atmosphere K-LOVE brings my family.

It would be in the best public interest to have FM translator service continue to take priority over LPFM stations. I feel the LPFM stations will be operating on lower budgets and will be forced to be second best.

My family and community need K-LOVE

Thank you,
-Dennis
